Employer Criteria Worksheet

 Use this table to map out your non-negotiables, motivators, and filters. These could be anything from salary to work arrangements, and company values to managers' mannerisms. Once complete, use this criteria to guide your questions and reflections during interviews.

Criteria	Why it matters to me	How will I spot it?
<i>A supportive people manager</i>	<i>I want to grow, so I need a manager willing to give me the opportunities and support my development</i>	<i>I will look out for good interpersonal skills and ask what they think are the most important things to get right when managing people.</i>
